“ *To Jimmie's Family: We just heard of his passing today. We both work with him at the plant in Saginaw, He was my boss for many yrs and was just a great person to be around!! We had not heard from him in a long time since the last time he came to our home a few yrs ago, we always wondered how he was and no way to contact him. My husband and I both are so sorry to hear of his passing. We would have came if we had known. It was our pleasure to have known him. Jack & Cris Coon*

“ My condolences and prayers go out to the family, Surely he will be missed, those waves and smiles when I take my walks, those encouraging words telling me go ahead you can make it, keep it up you can do it. Then that voice sitting at the back of his car waiting for me saying I didn't see you yesterday did you walk. But he's not gone but he's just away I feel like God moved a rose to a garden of better days he's not gone he's just away waiting til the Lord calls on that great getting up day
