“ *Gin meant so much to me as a person, her family did also. I wont
get into the way i was brought up at times her Gin being the only
mother i had and that i could talked to. I learned about a different
god and a different life with the help of Gin and her family. I thank
yawl so much for everything that yawl did for me, everything you did
for me and am hoping that someday i will get to see you again when
i cross that bridge. I know it will be hard cause if i am beat their by
your family and children I know you probably not gonna wait on me.
Am hoping the land of milk and honey is treating you really well, its
a painless experience and all your pain and suffering is gone. I love
you and Merry Christmas Gin your son with a tear Gamayiel
Kawana Harris. I Love you*
