“ My beloved step brother I will truly miss. We used to talk on the phone for hours at a time. He always kept me laughing and I could share my most intimate thoughts with him. He was a very kind hearted and generous person. He loved family and always wanted to have a big reunion with all his extended family. He loved his children and grandchildren and always wanted the best for them. A piece of my heart is gone forever but his memory will remain always with me. His physical presence will be gone but his spirit will always remain.
