“ Mr. Jimmy Henderson; I have a lot of memories of you and our conversations. You have touched many people which entered in your life. We spoke about many subjects over the past year. You told me you loved your wife very much and miss her everyday. Hopefully you two will be together in your next journey. My wife and I will miss you. You said you love your grandsons and hope you will be around to see them receive a scholarship to a major college. You asked me, "How will your family make it if you weren't here?" My response was, they will find a way. I know you worried about Jimmy Jr. He (Jimmy Jr.) knows you cared for him deeply. May God bless you and keep you, and hope the healing process will continue to touch there lives.
