“ A true testament of a Proverbs 31 woman not just for her household but others down through the years.

Not just a teacher to children that are not hers but a caretaker

Not just a mentor to thousands that are not blood but catalyst of knowledge

Not just a God-fearing woman but a woman who fears God

There is truly so many more flowers that can be given from me in words but I and my children who I speak on their behalf as well gave her flowers while she yet lived.

Her life will speak volumes from hence-forth.

Ms. Webster we love you to this life as well.

Quaeunda, Char-Li, Charlie (the Mr.) and Carolyn Witcher

To the family of Ms. JoAnn the peace of God will comfort you as the words of men can not.
