“ *I would like to offer condolences to the family of Joanne Lee. My brothers and I were neighbors of Joanne and Joey on Russell Street (early 60s) and my oldest brother was a classmate of theirs. It has been years since I have seen either one of them but I remember those days. May God bless and comfort you during this difficult time.*

“ *Chad and John,
We are so sorry for the loss of your Mother. Our hearts have been deeply saddened. Joanne had a brightness about her that came out whenever I would see her. Even when she went through difficult times that light was yet there. She loved her family. She is greatly missed. We pray for you both and her grand daughter Nevaeh. Peace be still. She is resting with Jesus.*

“ Our family sends our love prayers and condolences to Chad, John, Joey and Joanne’s entire family.

There are no words that can express all my heart feels concerning the passing of my dear sister/friend. All she added to our lives will be missed. There is a great loss for us of the wisdom she had, all she had yet to offer from her abilities, and all the powerful gifts she had in her just waiting to be completely released!..but I know I can rest assured knowing it is a great gain for her because she has now been made whole, is full of peace, and filled with the joy and affirmation she has always sought after while here. She is now all she was created to be to the fullest. We can all have comfort in knowing we have an opportunity to see her again happy and whole as her best beautiful self. That’s where my strength comes from as the thought of my loss is overtaken by a peace in my spirit knowing she has finally gained all she had hope for and is totally and completely happy, fulfilled, and is lacking nothing but has gained all she so rightly deserves. The Songbird that use to sing through her storms is now soaring above them as the Eagle I always told her she was!

Our family will continue to pray for and love her family as our own. Remember we’re still here for you! ❤️🙏

“ This is the hardest message I have ever had to write. Joanne, we met in 1978 as neighbors when we lived in Westwood Manor. Throughout our 42 year friendship we saw each other through many life changing events; my marriage and divorce, the death of our mothers, job struggles and changes. We celebrated the birth of our children, their open houses and graduations, your college graduation and retirement, my career changes, our first home purchases, and my relocation. We spoke everyday throughout the day, if I did not answer you would always leave the same message " hey girl it's me" and hang up.

We spoke up until the day you were hospitalized and could speak no more. I will never forget your laugh, your voice, how you would laugh and tell me "girl you know you crazy", "girl you know you need to quit". You always asked where the girls Marsha, how is Dee, girl what is Kendra up to?

I will never get use to you not being here in the present, but I am so happy for you. You are now with the one you praised, rejoiced in, always spoke of and loved with all your heart and soul King Jesus. There is no greater happiness, no greater love, no greater peace than that Jesus provides. You now get to experience it with him in heaven.

I Love you my forever sister friend,

Marsha

“ Joey, Chad and John, I'm truly at a loss for words because this seems so unreal. I want you all to know that the same way Joanne called me so that we could pray and encourage each other, please let us do the same. We will all miss her singing, her smile, her seriousness, her arguments, her funny laughs and her overwhelming love for her whole family and her friends. Her love for Jesus was her Cornerstone and she would wear it fashionably. Joanne, Cuz, I didn't realize how big of a gap you filled in my life. I miss you Joanne Lee, you will never have to worry about falling or breaking any bones again. I love you Joey, Chad and John, God's comfort and peace.

“ Chad and John Michael - Your mother's bright smile, sweet spirit and genuinely good heart will be greatly missed. It's been a number of years since I worked with her at Coolidge, but whenever I saw her in the neighborhood, there was always a smile and hug in our greeting. She always thought about her boys and that kept her determined to press ahead.

I was very saddened to hear about the loss of your mother. Words seem inadequate to express the sorrow that I feel. We shared a very good working relationship at Coolidge School. I will miss her laughter and beautiful smile as well as the many phone conversations. I pray that in the midst of your sadness, you will find comfort in all the joyful memories you shared with your mother. I will keep you in my prayers.*

“ *My sincere condolences to Joannes family and friends.
A special expression of my sympathy to Chad and John Michael, I know you are both in pain and my heart sincerely goes out to you both.
Chad and John, please take the wisdom and the strength your mom had and many times when making a decision, think about what your mother may tell you, she would never steer you wrong.
JoAnne loved her family in Chicago, we had countless conversations and we'd always laugh and she'd talk about her Chicago family.
Jo and I were best friends for many many years, starting from Coolidge El School in 1978.
Jo was easy to be with, she accepted you as you were and we shared laughs and tears and everything in between.
I already miss picking up the phone to talk, knowing there would be love for me on the other end of that phone line, as I loved her too.
One thing I would be amiss if I did not say, since meeting Jo 30 years ago, she loved God and I truly believe HE led JoAnne in her life.
Rest on my friend, I truly miss you now and you will always have a place in my heart, as long as it's still beating.
I pray to see you again on the other side❤️*

What a heartfelt and beautiful sentiment Brenda. You are so right, our Coolidge family was very Special and JoAnne was a huge part of Coolidge. I got there in 1996, a little before you did and JoAnne did the same for me, welcomed me right in with outstretched arms, we all had a very family oriented relationship at Coolidge, led by Mr. Bracy!!

“ Joanne and I go a long way back. Family Worship Center and Flint Community Schools. She was the para in my class and we would sing songs from Family Worship Center when the students were working our nerves. I was her ear when she wanted to share and get things off her chest. I am going to miss her. I know she is probably singing in that great choir in heaven. Chad and John Michael I am praying for you both.

“ Remembering our times not just as friends,
but as family. We never missed a beat. We
could catch up on things quickly in our
conversations. What can I say about you?
You were a kind, genuine woman who loved
the lord. You were there with us during the difficult times of losing
parents. You were there when Pat got married. You were there
when we needed you. We laughed, we cried, we danced and we
sang. You were family to my family.

*And if I should ever go away
Well, then close your eyes and try
To feel the way we do today
And then if you can remember*

*Keep smiling, keep shining
Knowing you can always count on me, for sure
That's what friends are for
For good times and bad times
I'll be on your side forever more
That's what friends are for*

*Oh and then for the times when we're apart
Well, then close your eyes and know
The words are coming from my heart
And then if you can remember*

*Keep smiling and keep shining
Knowing you can always count on me, for sure
That's what friends are for
In good times and bad times
I'll be on your side forever more
That's what friends are for*
