“ *To the Arnold family,*

My second family, words cannot express the sympathy I feel for all of you. I am Marie's child. She raised me and my brother, Danny. Uncle John was always so nice to us. Even when we would visit him in the hospital he would always smile and hug us. I will always remember that smile. Just like Marie's. Those two are having fun up in heaven. I am praying that the family finds peace in this troubling time. I love you all and you all have a special place in my heart. Thank you for treating me as if I were truly family. God bless.

“ *Unc, I'm the one who was playing with your guitar. I was trying to imitate you imitating Chuck Berry's "Maybelline". I think you knew it was me, tho. You and Mom had infectious laughs. I didn't even have to know what was funny...I just laughed because your laugh was funnier than the joke. It was heartbreaking to see you slip away, but it's heartwarming to know you're at peace now. We love and miss you.*
