“ John was a caring, wonderful and dedicated man! The smile on his face during conversations about his family showed the depth of his love and the treasures of his heart! Another memory that sticks out in my mind are conversations of when John fully returned back to his life passion of music. The look in his eyes, the excitement in his voice and his bright smile made it obvious as to how much it all meant to him!

“ To the Bush family, it is hard for me to express in words how I feel. John and I grew up doing almost everything together from an early age. We played little league baseball, were paperboys together, wrestled, football, played in the Individual Soul Band together, worked with Willis Lewis' father (Pap), and his mother Bev. and my mother Maudie were close friends. We were not friends he was my "Brother" for more than 50 years. Memories are flowers in the garden of love and I truly miss him. His smile would light up a room. May God bless you and keep you. John composed a CD entitled "Where are all my friends?" I've known John since I met Doug. I would always laugh when John would play the bass guitar because the only thing moving was his fingers and his head. I was overjoyed when he turned me on to "Be Mine" with Rev. James Marshall singing the lead who resides in Texas now. It's the BEST LOVE BALLAD I have heard in my lifetime of 65 years. It's hard to find on YouTube but just Google for the song and artist and you'll be able to hear it and strenghten your love. God bless the family. I'll never forget him because he had a huge extended family and thanks for mentioning my husband, Douglas in the obituary. To God be the glory for him such a gifted musician and friend. We will see you again as Minister of Music in the Heavenly Choir.

“ My Prayers of condolences goes out to my childhood family. Our family united on Damon st .John has been a brother keep every since. He and my brother were best friends from elementary till graduation. Although live sent them on different journeys John never stop being the brother from another mother. We worked together in the school system until his retirement. After that we would run into each other at the credit union often. He was so full of life, I dont think I've ever seen him without a smile on his face. When ever he caught me feeling down he always had words of encouragement. When we parted I would always be laughing. Really going to miss our conversations . Rest my brother your work here is finished.To the Bush family I pray for comfort, strength doing this time rest assured that you are loved .on behave of the Maynor-Moore family❤️🙏

“ Truly, truly my heart felt sympathy..to the entire "Bush" family! John was such ((beautiful)) spirited person, he really, really..pushed me to be a better vocalist. I remember seeing him at one of our choir rehearsal one evening, I thought, one of our musicians had recruited him to play for our church. After rehearsal, I went over to speak to him all excited..come to find out, he was there to recruit me! Lol, John tried to convince me, I was an awesome vocalist..and he thought I had great potential! I never did sing with him, Danny or Charlie but, I did support them. Well, beloved John..R.P.I.H..I know you have your spot with the heavenly "band" play-on-player 🎸🎷🎺

“ *The first day I met John Bush was on March 20th 1979 the first day I started employment with the Flint Board of Ed in the Bus Department. John greeted me with his warm smile and calm personality made me feel welcomed on day one. John and I have been good friends ever since. He was my first immediate boss besides Roy Flenniken. We did a lot things together over the years and I enjoyed every moment I had with John and he will be so missed by many of us who knew him. My prayers go with his family and friends that God gives them comfort. We will all see John again in Heaven and what a day that will be. God Bless.*

“ John Bush was a good-nature person, he had a good sense of humor and accompanied by a quick short laughter, a great guy to have as a friend, and an encourager always attempting to motive people to try new things that they never conceived they could do. Most of all he was a “Believer in CHRIST”. John would weekly visit his grandmother who was living in a Senior Citizen Care Center. One day he went to see her and she was in the lounge where the other seniors had congregated to have their weekly Bible class. The instructor was absence so someone asked him to instruct the class and he did. He said it went really well and he got several AMEN’s. John said they enjoy his teaching of the gospel so much, that they gave him the teacher book, because they expected him to teach the lessons ever week. My condolences to Sandra, David and the entire Bush family.
