“ John,
You will truley be missed by ALL the people here at Michigan Lumber Company. We all loved having you in the store, and I personnally loved hearing the joking between you, and Ralph. I cannot remember one time you were upset with anyone, even if we had made a mistake. Thank you for all the years of shoping with the folks here at Michigan Lumber.

“ John was a customer of mine who was always a pleasure to talk to. Once you met John, you were instant friends. He always came in to the lumberyard with a smile, and his customers said his craftsmanship was the best. You will be missed.
