“ *When those we love have left this earth, we still can feel them near. We'll see a picture, hear a song, and it's just like they are here. And when we call upon our faith, when we believe and trust, we know the ones we care about are always close to us.*

“ God has made a time for everyone,
God has made a plan,
For every man created,
Shaped by His loving hand,
Everyone is made for each their own,
Different from others down to the bone,
Everyone born to do their own task,
When the task is fulfilled, many breaths come to last,
Dying though is not the end of living,
Because the afterlife is just another task begining,
My Grandfather has forfilled his life living task,
So he's off to his new life, he has past,
He's gone away but not really, his new task just begun,
Life holds many journeys, walking on Earth is just one,
Why God choose him now we'll never understand,
He passed away with many years, I guess that was God's plan,
Remember he's off to a better place after being on Earth all these
years,
Resting from all the hurt he's been through, all the pain and tears,
He'll never be gone to the people he brought happiness to and
touched their hearts,
He'll just be away, they'll just be apart
Well I'm sorry he's gone, my sympathy is all to you,
But honestly, he's not gone because my grandfather will always live
in me.

I will miss "Papa John"!!!

*Love Always,
Nea-Nea*
