“ Up thinking bout u! I was wit my youngest son yesterday he's 3 now he made a face had dat silly John Calvin Jones grin on his face and boy boy boy did u run through my mind! Its amazing how much our children can resemble us. I luv u pops! I know I've done alot of disappointing things n life, but I have no regrets ! I'm trying 2 get on the right track & live life 4 and through my children. I lost a close friend this week. I feel awful about it because the day he passed he was reaching out 2 me & I ignored his calls. It hurts like no other pain I've ever felt, but I know God doesn't make any mistakes. I luv u !
