“ Please let me extend my deepest condolences to you and your family during this most difficult time. I am so sorry that you had to experience life's greatest enemy. Please know that there is going to be a time when this will never happen again. God is the Creator of life and the Source of life. (Psalm36:9;Acts17:24-25). God has resurrected humans in the past.(John11:39-44). He is in fact eager to do it again. He hates death and he views it as an enemy. (1Corinthians15:26). He yearns to bring back those who are in his memory and to see them live on earth again. (Job14:14-15). I sincerely hope this will bring a measure of comfort during this most difficult time.
