“ Dear Family,

I was so sorry to hear that John L has died, it is hard to believe he is no longer here. I will miss getting on him and teasing him and our "arguments". He was the best. I am praying for you and thinking of you Niecy, Rosie and John Michael. My love to you all.

“ To my Patrick family:

It is with deep sorrow I write this tribute to you with the passing of our loved one, John L. When I received the call that John L. passed I was immediately tearful but I had many fond memories of our lives as we grew up together, more as siblings than cousins. ?I remember him being so proud at Michael’s retirement celebration of his granddaughter calling him “Paw Paw”. Anyone that knew him knows that he loved his family and was deserving of the love that God bestowed on us. I hope that you can find some solace in John 3:16. Peace & Grace be unto you.

“ To the family and loved ones of John: I was a classmate of John and came out of Northwestern, class of 1966 when he did. I remember him being such a nice classmate. John had a wonderful personality and always carried himself with respect and respected those around him. I know he will be missed by you all, you have my deepest sympathy in your loss. Don't tell him bye, he has only gone home, tell him "see you later," and we will when the Lord calls us home. Peace be with you all.

“ To the family of John L. Patrick. I extend my deepest sympathy to you all. We were all considered family in our neighborhood where we grew up together. We all loved one another. John L is another soldier that's gone home. His work here on earth is done. His journey to my fathers house has just begun .He will be sadly missed but never forgotten. My prayers are with you all and pray God will give you all the strength and guidance that is needed to help you all through this. May God bless you all. Sandra Brown Copeland
