“ I just found out about John's passing from a friend who just called to tell me. My heartfelt sympathies to the family.

*John and I worked together over 30 years ago, having met him when he and I worked through Christmas vacation 1977. I also worked in Division 19 when we were truck (forklift) drivers in Div 19 around the plant throughout the 70's and into the 80's before he was a crib attendant.*

*John was hard to get to know at first, then one day suddenly he decided I must be an OK guy and we became friends in the shop. He was a good man and a fine worker. Once I hired him to clean carpets at my house and it was the best cleaning job I ever had up to this day!*

*I retired in 1998 with 30 years so I haven't seen John since. But I have several fond memories of this man. All the very best to his family.*
