“ *My Uncle John was the BEST!!! We have sooo many great memories with him and Aunt Jackie. He was very kind and hospitable to everyone. He knew how to throw a back yard bar b que that everybody enjoyed and loved to come to. He was very laid back and easy going, simply “the coolest dude in town”.*

Shelia and Vance I pray that the many wonderful memories with Uncle John help you both through this most difficult time.

*Love you much!! ❤️

“ My Uncle John was “the coolest dude in town!” So many great memories growing up. He was my Aunt Jackie’s life long best friend and they were perfect for each other. I loved how he brought the Kincaid’s into his family and gave us wonderful cousins to grow up with. I can go on and on about our holiday events and good times. RIP Uncle John, we love you!! “ To the family of Cousin John. I and my children will always remember the wonderful times we had with him when we visited family in Flint. He never failed to pick us up and take us to his home to spend a few days. My sons always talked about the fun they had with him and Jesse on their morning fishing trip. And his expression “Jive Dude”. Know that he was loved by his extended family. May he rest in peace.

“ Oh Uncle John... We are so sorry we lost touch many years ago... you were always so kind and loving and made the BEST cookies and cool aid around... Sundays were my favorite because I knew we'd be spending them with you and aunt jackie... you gave us so much love and comfort and welcomed us with open arms when we first moved to the states... my only regret is losing touch with you as I grew up and for that I am so sorry... may you rest in peace knowing you were loved by so many... fly high uncle John and give our love to aunt Jackie

“ Uncle John, he would always say "everybody celebrates my birthday" and "I am the coolest dude in town" and that he was. His oatmeal raisin cookies and lemon juice was the best. HE was my father's youngest brother, and I never heard him complain about anything.. I will miss my uncle John, my prayers go out to my family in Michigan.. rest well uncle John. Your niece, Joyce

“ Cousin, every time I think of you, your brothers C.T., and “June”, and cousin C.L., sitting on Aunt Carrie’s front porch “back in the day”, laughing, making jokes, and teasing each other ; it makes me smile. You were a gentle, funny, and kind man, and I’m going to miss you, Johnnie Walker. Also, family, though we weep now, let us remember that “ joy cometh in the morning”.
