“ *I can't even begin to imagine the hurt you may be experiencing right now. I can't even find words that I think that may be comforting to you. All that comes to mind is a song Tis' So Sweet Just to Trust in Jesus. That is all that we can do. Knowing that He is Almighty and it is Him that we have our being. No we don't understand and sometimes it is VERY hard to do especially at these times that are so questionable to our natural minds but we must trust, lean and depend upon God for our strength. Johnathan will be missed. We loved him. We love you and we are praying for you.*

“ *To My Family, we might not understand this now but God makes no mistakes so I going to lean and depend on Him at this time. My mother named Johnathan when he was born and we all grew up together ? more like brothers and sisters than cousins. He will be missed here on earth but I do know that Auntie Clarice, Uncle Joe, Ronnie and my mom Helen were all standing at the gate to welcome him home. In Ecclesiastes 3:2 it states, A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted ? Johnathan we love you but God loved you more.....*

Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life. John 5:28,29. “ *Dear Hogan Family,*

I worked with John for the last 3 years. He was a very wonderful man who will be greatly missed. We shared stories of our children with each other. And he also was a wonderful listener when you had a problem. He was always very upbeat and a great person to be around. He will be greatly missed. My prayers and thoughts go out to you and your family during this tragic time.

“ Johnathan had a good heart sometime it was misplaced but he touched a lot of souls on this earth. I think about his daddy, Uncle Joe who also died at a young age and was a good man. I think about his brother, Ronnie and his mother, Aunt Clarice who was like a second mother to me which I display a special tribute in a grave marker. I know that Johnathan thank me in his heart when I brought the grave marker for his mother. I pray for his two young children who is going miss their father dearly. Now there is only three of them left, Michael, Eric, and Joanna. I pray that they will stick together and be strong after this sudden and unexpected death of a loved one.

“ To Linette and the Hogan family in time you will understand that God only takes the best. He was a blessing that was placed here by God to touch and encourage the lives of our young people to reach their highest potential. Thank you for sharing your blessing with each of us. He will be missed by all.

“ *What's up coach, it feels like yesterday that we won our 6th grade football championship together, I still remember the game winning play u set up for me and everything! But without notice time flew by us and that was almost 9 years ago, and I've seen u only a few times since then, but remembering a good person isn't hard at all. You did your best down here on earth guiding and coaching all of your kids to do things the right way. “ We would like to express our deepest sympathy to John's family. God has called a true soldier home. He was a true inspiration for our youth. We have to get our lives in order for us to see John again because I truly believe John is in heaven. To the family, stay focused and positive! To his kids, he always expressed how much he wanted his children to be all they could be, so therefore make your Dad proud and go out there and conquer the world.. May God bless... We love you John
