“ *The Coleman and Thomas family was next door neighbors on Harriet St. We wasn't just neighbors. We were family. Being neighbors was so much fun. We looked out for one another at ALL times. I will never forget how Mr Coleman and his son Jr (my little brother)helped my mom during a difficult time in her sickness. The Coleman's was truly a blessing to the Thomas family. I pray for comfort, strength and peace for the Coleman Family. All of you are Loved.*

“ Mr. Colman always had time for me whenever I stopped by, even if I road by he would wave his arm up high enough that could see it. I can't really explain our friendship, all i know that it was special to me. Love you Mr. Colman, i finally got my life together. All those years growing up around you, you always pointed my to Jesus. I never know it until I got saved, thank you so much for that.
