“ Your entire family is in our prayers. Though difficult to understand now, always know God makes no mistakes and Earth has no sorrow that Heaven cannot heal. I remember that my mother and Mrs. Hawthorne worked together at North Side Post Office for years together. I also remember how Kenneth would always stop by my mother's room to check on her when she was in the rehab center where he worked. I also remember how my parents would always brag that Nate was their best renter ever, such a beautiful family. May God always keep His comforting arms around you all during this difficult time! 🙏
