“ Johnny Miller was a father figure and neighbor to me and my sisters growing up. He always cut our grass and shoveled our walkway. He was a role model of what a good man should be. He raised his kids and took care of his family and watched out for us when my mom was working. We knew that if anything happened we could go to him and ask for help. He made growing up safe after my dad was gone. He was an honorable man. My heart goes out to you. He will be truly missed.
