“ *Aunt Johnnie it is so hard to believe that I won't your Sweet, Southern voice calling my name that you gave me anymore... No one can call my name like you. I have the last time you spoke my name just a few weeks ago etched in my heart and mind. I'm missing you terribly although I know that you're in a better place, been promoted to Heaven and at peace..I'm not supposed to be selfish, but we know how that goes.... I am!*

To my Fam! - They are soooo many prayers being said for us and know that we have Lost one of the great ones. No matter what, I LOVE all of you. We should do everything to unite, stay united and love, love, love.
