“*Johnnie Lee Goodman, Jr., lived a full life, he was a devout Christian, Pastor, Building contractor, landlord, police officer and most of all a very good friend. I enjoyed working with him at the Flint Police Department. Johnnie was a Golden Gloves boxers and an aficionado of that sport. When Johnnie played basketball, he was known as a good defense player because he had lightening quick hands speed and long arms. I admired him most for his wit and intellect especially when discussing life and it's challenges. He once told me that professional prized boxers have five or more plans when boxing. If plan 1 fails, he tries 2 then 3 or the others while trying to achieve boxing success. Isn't that what life is all about? Having more than one plans if the original plan fail? After a strenuous and stressful police operation, an officers' emotions may stretches the gamut from fear to laughter. Most officers talk among themselves, to wind down from the emotional highs and lows that may occur all in one brief moments, but Johnnie would be in a quiet place reading the "WORD". With Johnnie Goodman the "LORD" came first. My condolences and prayers to his family.*

*I am sorry to hear of Johnnie's passing. He was a long time friend of Jerome's. What a life God blessed him to live! A police officer, a contractor (he contracted the building of our home), a minister of the Gospel and more. I believe he did everything God assigned for him to do. Now he will hear the words, Well done, good and faithful servant! You have been faithful over a few things, I will put you in charge of many things. Enter into the joy of your Master. The Goodman family are in my prayers.*

“ Brother Jay will be forever remembered for he was truly a man who followed hard after God's own heart! He surrendered his will and trusted God's will and calling to teach and make disciples of man. With a spirit of humility & of servitude along with the fruits of the Spirit he exemplified the Lord's Disciple. I truly believe he fulfilled his task to teach & make disciples of man!!!! (disciplined followers of Christ) He will be forever loved & never forgotten!!! We love you family!!! Thank you Brother Johnnie Goodman, our Pastor! MATT:25:23 Charles & Onita Turner

“ Oh so sad to hear of Johnnies passing. He & my husband were good friends for many years and also crossed paths as Police Officers. He was also the contractor who did a superior job builing our house over 20 years ago-I got to know him then, we also attended his church a few times. He was the epitome of quiet strength. Rest in Heaven Good & Faithful servant. We Love you Johnnie.
