“ *Malone Family our prayers are with you all. Mr. John was always outdoors whenever I went to the Anthony's home, during the summer. Mr John would meet me at the car talking about the latest news or why he didn't like H&R Block (where I work). He was very friendly and concerned about the children on the block. My husband called him the one man neighborhood watch. He seen and heard everything. Mr John will really be missed. He can continue his watch of us from heaven now. You have our deepest sympathy*

“ We were very saddened to hear of the passing of our friend and neighbor. We will miss all of our talks, him always watching out for our grandkids when they played Outside, plowing the snow in the winter and just keeping a watch out on our street. We let him know that he was appreciated. Our prayers are with the family in this difficult time and you have our deepest sympathy.

“ To the family,

Our prayers are with you during your time of bereavement.

The Lord will be your comfort even in your time of loss. Jeremiah 31:13 says, "I will give them comfort and joy instead of sorrow."

Take solace in the Lord and he will turn your grief into gladness.
