“ I'd like to send my condolences to my Aunt Lisa his fiancé and to his loving family. I loved Mr.Johnny he had a kind soul and he loved my boys and would help my aunt babysit when I needed. Me.Johnny had such a caring and soft soul I've never seen him angry and he loved being around my aunt Lisa they stuck together like glue with so much love. We were getting ready to be apart of their wedding to unite their love for one another but God seen it fit to call home his much needed angel. I just want to tell Lisa and his family to stay strong and support one another like he'd want. Mr.Johnny is with you in spirit auntie and he will always be with you if you hold on to your memories for a lifetime. You know he loved everything about you and it showed I love you and I appreciate everything you and Johnny did for us
