“ Joice you called me E.; and you are the only one that got an answer from me with that name. I will always love you as my friend, because you have always been the best of a friend to me. We went through many periods of no contact, our paths sphered in different directions, yet not necessarily better (hoping that you found some happiness and peace however). But I ache at not having seen you again before you went on. We have always had conversations that were meaningful, probably more to me, than to you. I will always miss your laughter, joy, and profound wisdom. You had a way of making life seem not "such a do" . I HAVE ALWAYS MISSED YOU DAILY. I am traveling soon and hope to see your Flint family. LOVE. E.

“ Even though we did not know your loved one personally, we are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.
