“ My condolences to the family of Jonathon, I pray that God will continue to strengthen you, comfort you when all else fails and give you peace. I had the pleasure of being Jonathon’s nurse manager on the Behavioral Health Unit, he took pride in the care he gave and although the patients weren’t always cooperative he showed restraint, patience and compassion. He shared Jesus Christ’s love to those who had an ear to listen. He cared about his fellow co-workers as well. He will be missed by those who came to know him, his smile and that laugh along with our memories of him will live on. He was a strong man and not once did I ever see or hear him give any negativity regarding his health issues but I remember him saying he could do all things through Christ who strengthen him. A life well lived and I must believe he fulfilled his purpose, may his legacy live on in those whose life he touched and paths he crossed...there are many! Rest In heavenly peace.

“ Praying for the Mateen Family. Jonathon was my classmate at Flint Academy. He also was our paper boy while in school. The way you saw him was the same always, nice and friendly. So take your rest my friend. Until we meet again. 🙏❤️
