“ *Dear Shelton Family and Friends,  
I am so very sorry to hear of the loss of your dear loved one, and offer you my sincere condolences. Many have found comfort and hope in knowing that the Bible assures us: “Jehovah is close to the brokenhearted; He saves those who are crushed in spirit.” (Psalm 34:18) God’s holy spirit, or active force, can equip you with “power beyond what is normal” to go from one day to the next.(2 Corinthians 4:7) It is my sincere hope that this gives you a measure of solace in this most difficult time. My family wishes you and yours peace.*

“ *Our heartfelt condolences to the family. When someone special falls asleep in death, it is very hard to let go of the fact that they are no longer with us. We will miss holding them in our arms again and hear their laughter or see their smiles again. Our God, Jehovah, offers a future hope for our loved ones, which will help ease our feelings of loss today. May the coming days bring you comfort and peace (Isaiah 26:19).*
