“ I am so sorry to hear the passing of Mr. Carter, I met Joe Carter some 35 years ago as a young man starting my career at GM he quickly became my friend and mentor. He is one of the many individuals that set my feet on the right path and throughout the many years our paths would continue to cross and he was always the same old Joe, always straight forward never holding back what he was thinking. He will be missed, the world is a little smaller because we have lost a large FRIEND.
