“ My sweet Joshua...take your rest! Your beautiful mommy has kept me in the loop ever since she was pregnant with you and your brother. When she had you she kept me updated constantly. I will never forget meeting you and your brother when I came to Mt. Pleasant. You gave me some “looks” that just made me laugh! Once you warmed up to me all I wanted to do was hug you. When you guys took a road trip to visit my family in Ga we had the best time!! You played and never wanted to stop, not even to eat! Lol That’s what I loved most about you, you NEVER let your condition hold you back. Watch over your mommy and brother! We love you so much! Love,  
Quesha
