“ *To The Miles Family:*

We go along way back, Grand Traverse, Granville Ave, full circle Joyce Dad's Big Hanks Home. In fact Big Hank and Joyce passed away in the same room on Jackson St. Who would've known? I was there when her Dad took his last breath. In fact we shared the GOOD and the BAD times together. Ups and downs times. We were close as 10 toes in a sock. However, a financial transaction with her late sister Kim, caused us to part ways. All good. We both moved passed the event, but our relationship NEVER restored. However, We were there for Mom Betty despite our differences. "All Good"

Keeping it 100%

I had nothing but LOVE for Joyce. A Hommie, gone to soon. But... We all will depart this place called EARTH. Enjoy each and every moment because we will all LEAVE this place called EARTH.

“ *To the Miles Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
