*I just learned of the passing of my friend and mentor, Joyce Robb. I am deeply saddened because I never imaged that she would ever one day not be here. She was extremely smart, intelligent, vivacious, funny and outgoing. She had class and sass. Joyce Robb was a motivator, mover and a shaker. Joyce taught me everything I know about real estate. She has touched the lives of so many in very deep and profound way. Words cannot express my deep sympathy to the family. Please accept my sincere condolences Robb family.*

“ *I never had the Honor of meeting and being in the presence of Mrs. Robb, but feel as though I know her, from the tremendous Love, Honor, and Respect that I sensed and felt from her Precious Daughter, Stacy, my Friend. The sense of Love, Pride, and inspiration shown by Stacy, and reflected by everyone else that interacted with, and were touched by Mrs. Robb is clearly evident, from decades ago, or very recently. She obviously left a fantastic legacy, and memories that will be remembered forever, and her impact left a lasting impression that will never be forgotten. May God rest her Soul, and comfort the family, friends, and those that she touched, helped, guided, influenced, and Nurtured, especially in this time of need.*

“ To know our sister, you had to love and understand our sister. She loved and cared about your feelings and was concerned about how she could make things better for you. That was her characteristic whether it was to assist someone in her expertise of speech therapy, real estate or just being a true friend. To Stephanie, Stephanie, and Kip, God created a blueprint for you to follow for the rest of your lives and pass it on to generations.

She wanted you to know it's not about you it's about what you can do for someone else.

Please also know that your Mom would say "Don't cry me, don't shed a tear, the time I spent with you will always be...and when I'm gone.. please carry on... DON'T CRY FOR ME. We love you, but God loved her best. and it was time for her to take her rest.
