To the Baker and Swain Families: We offer our deepest and most sincere condolences and sympathy.

Judy was a dear friend for over 60 years to a group of 18-year-old girls from, CT, DC, NJ, NY and PA. And those of us who are left to mourn will laugh about the things we use to do and the one or two things that we certainly shouldn't have done - like taking Mitchell's tire off his car. We were on Judy's side. And we will think about the semester breaks that we use to spend in Cleveland under the watchful eyes of Mr. & Mrs. Baker (Patty will remember those visits).

We will each miss Judy each in our own way and in our own time will let her go. But our love for her and the memories of our dear friend will remain forever.

Rest in peace,

Baker's Dozen

Yes, Joyce, I second those emotions! The friendships we cultivated and the memories we cherish will forever be etched in our hearts.

To Judy's loved ones, it is our sincere hope that that golden memories and love sustain you during and after these dark hours. Judy's love for us as our Freshman floor advisor at CSU will always be cherished by each one of Baker's Dozen.
