“ *Mrs Julia was a beautiful, sweet and loving person. Soon as we met I instantly considered her my older sister and she would call me her baby sister Denise and I was told Denise was her sister in law but her and I would sit and talk and she would always say you are so pretty and I would tell her no your the pretty one and then she would look at me and say what I say in a real deep voice and we would both just start laughing. Mrs. Julia loved her family she talked about each one of her siblings and would say I love them very much. I'm going to miss her and our talks.*
