*I'm so hurt! I can't believe June is gone. She's so beautiful, smart and strong. She lived with me (her auntie Jacqueline Renee) and we had so much fun, putting on makeup, jogging and going shopping. I cannot fight back the tears and disbelief. What a great loss June I love you and as always you are in my heart.*

“ My beautiful friend... I'm still not coming to grips with this. You hold such a special place in my heart. You are my sister. I remember all of our sleepovers at your house. Playing in your backyard and going to the creek, and roasting marshmallows. We had the best childhood and spent a lot of it together. I love you so much! Even though we didn't talk much at all since growing up and moving to different places, my love remains. You're my sister... my very first church sister at FWCC. You will never ever be forgotten. I'm keeping your babies and entire family in my prayers. Until we meet again, I love you June Bug ❤️

“ Sharing condolences for the family, especially the boys. I am Avery's kindergarten teacher and he is just a positive light in our classroom. Ms. Summerville spoke so highly of her Avery and I just know she is shining down on him and will live on through him. Thinking of your family during this difficult time.
