“ Maelous (Red) I am very sorry that you and your family has experienced another love one home going. I knew you and your family when we all stayed on the same street across from each other. I watch as your Mother and Father raise you all up from small children. I was also bless to see some of start your own families. As I was reading the love notes about Kaland, I felted a warm feeling, and could actual smile. I remebered those time we spent together as neighbors. I know this is hard to let someone go, just as God was there for you when other members went home, He is there with you now. Just as your family showed me and my son love when we lost our husband/father, i want to give that same love back to you at this time. God will always be there for us, all we have to do is reach out to him. i always feel good when I see any of you, because I feel like I found my friend all over again. Love all of you.
