“ *Our prayers are with the Maclin family. We will always remember Kaleb for sweet young man that he always was. The outgoing personality. His grandmother(Margaret) was my grandson, Brandon's babysitter. They all grew up together, they were one big happy family. Margaret would not have it any other way.*

“ *My condolences to his family and friends.*

How can you pay tribute to someone with such possitive energy and do him justice? One who by saying hello brightened your day. It's sad to see such a ray of light be taken away much too early.

He will be missed by all of us who knew him. The Flint community has lost a beautiful spirit.

Once is while someone comes along that is truly special and that was kaleb. I now have a vacant place in my heart that only God can heal. He will alway be with us in our heart and mind and my pictures. He is now God's angle. Truly miss but never forgotten.
