“ God bless you baby...I am soooo sorry! I have a son who will be 5 next month....I never taught him about this...it broke my heart...I had to grab my gbaby...let her know...I had to hug every child that walked through my door...let them know...no guns no guns no guns...Oh I understand negligence we all fall short sometimes mistakes happen but God bless the family...this is tough enough...Have mercy on them Lord...have mercy on their hearts their minds...I know they'll be more careful...more aware...I know I am and I don't even know them...I'm just touched...So touched...remove the paranoia Lord...ease the stress...keep the memories...I love you Lord...Family lift your head...God bless you...Rest easy baby in the hands of the Lord with your father in heaven...Amen
