“ *Even though we did not know your loved one personally, we are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.*

“ As childhood friends, Karen and I did everything together including double date to our prom at Southwestern. She followed my lead to pursue a nursing career. As often happens, our paths split when the miles came between as we began our careers. I just received the call about Karen's obituary in the Flint newspaper, and I am both shocked and saddened. Karen loved her family and was a caring woman with strong principles and integrity. My sincere condolences to her sister Patricia. Sincerely, Jean
