“ My thoughts and prayers go out to Mark and Karen's family. Karen was full of grace, selflessness, and love in this life. Although she suffered through the years with her illness, she pressed through the pain and was till friendly, smiled and gave her full attention to who she was talking to. I will miss her deeply, she was my hero! God will tell her,"well done my child."

“ Karen was one of my first tenants in the new condo's I built. She was a excellent tenant and grew to be a very good friend. My heart like others is heavy after hearing of her untimely and to early passing. But its not how long you live but how you live that counts and Karen has shown herself to be a loving and compasionate lady and she has impacted many lives. Rest In Peace my friend until we meet again on the other side "keep on smiling" and save a seat for me

“ Karen you always had a very sweet spirit. Our families (parents) grew up together and were very close before we were ever born. That made it easy for us to be friends. Someone though, I believe we would have been close anyway. I certainly enjoyed our times together. I am praying for your entire family. Craig, Kym, and Valeri were the family members I know best. I always appreciated your parents as well, Bro. and Sis. Owens. They were role models and extended family to me.
