“ *I was deeply saddened to hear about Karla's passing. My sincerest condolences to her entire family. Karla was one of the sweetest people that I have ever had the pleasure of knowing. We met around the age of 6 and we grew up together through high school. She never changed. Always a beautiful smile and the sweetest personality ever. Whenever i would see her, she always had nothing but compliments and kind words. She was just a lovely lady. She will truly be missed. Look to God from whom your strength comes. Sending love, hugs and prayers.*

“ My deepest condolences to the family of Karla Jones- Smith. We met in 2009 when I brought students to 7C. She had a beautiful personality, so friendly and smile to go with it. Over the years we talked about her desire to be a nurse, being a “daddies girl” and church. She was always so kind and compassionate towards the patients. The last time I was with her co-workers they shared their love for her and how much she was missed. May her memories live on forever as she rest in peace.

“ My dear sweet Karla, my friend. I am truly, truly grateful that God allowed our paths to cross in life and that he allowed us to be friends. I had been praying every day that the Lord would heal you on this side knowing that he was the only one that could heal and restore you. My heart broke when I knew that you would be leaving us, But the good Lord reminded me that he answered my prayer for healing and restoration, he just said that he had to take you home in order to do that. I couldn't be mad about that. I'm going to miss you because I loved you. To Jerrod, the rest of the family and to her God son (a.k.a) her "sweetness", I will keep you all lifted up in prayer for comfort and strength.
