“ *I just wanted you to know I feel Karol was a strong person in many many ways. I wished so much that she would accomplish her dream of becoming a registered nurse, and we had many many conversations about the subject. Although, I am very sad at this time. I feel God did smile on Karol and give her the peace and love she must have so despirately needed. I pray for God to smile upon you as her family, and give you peace. May God bless you all during this most difficult time. Gail Johnson*
