“ I am so sorry to hear about your lost and words can't explain the sorrow I feel in my heart. It seems just like yesterday that he was just a little boy playing outside on Baltimore Street. I love you very much and I will keep you and your family in my prayers. Stay strong my sister!

“ *To Toogie and family. There are no words to express how much my heart hurt to hear that your baby was taken away. There is nothing that can prepare any of us for loss expecially when it happens to be our child. Toogie you know you are my Flint family in Texas and if there is anything you need form me it is yours. May god keep you and hold you during this most trying time. You are in my prayers. Love you all*

“ You are probably thinking, why not me instead of you son? Your life had just begun, I have lived so many years, my work on earth was done. You cannot believe your eyes as they cover you with dirt, tears will not stop flowing and your heart fills with hurt. But you have memories that will embrace you forever, as you prepare your self to live without him. God will keep him safe in a place where he cannot be touched and when you join him, you will never ask yourself, why not me?

May your family find the strength in God that you need during these hard times
