“ I was a student of Dr. Scott at Oak Grove High School in Rosston, Arkansas. She was a typical African American teacher of the era. She was strict, demanded the best of the students and was also fair. As I continued my education after High school, I had another opportunity to interact with Dr. Scott as I was preparing my doctoral dissertation. She provided valuable assistance in editing my work. I will always remember her as a valued person on whose shoulders I, and many others used to become successful. Her legacy is alive with all the students she touched. We have all been truly blessed!

“ Dr. Kathalyn Scott was my home room teacher at Oak Grove High School in Rosston, AR. What a teacher she was. I can still recall some of her teaching, like "never use at with where". I was suprised to here of her passing. I know she in in a much better place. She will me missed. We know that weeping may endure for a night, but joy comes in the morning. Our prayers are with the family. She touched many lives. Thank you for sharing!

“*Dear Scott Family and Friends,  
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is fresh, even with the passage of much time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress.(Psalms83:18,Psalms65:2) Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again.(Isaiah 25:8) My family and I wish you and yours peace.(Phillipians4:7)*
