“ *Our prayers are with the Dudley Family at this time of sorrow. Trina and I grew up together on Dayton Street and Gail lived around the corner on Mason St. May God bless and keep the family during this time of bereavement.*

“ *I send my heartfelt condolence to the Dudley's Family and Katrina's children. I knew Katrina in the late 80's and 90's trying to help her through her problems and last time I seen her was in 1999 and seem to be doing well which I was very happy for her. Katrina always had a good heart and was very smart.*

“ Have you ever wondered why we grow old and die? Some sea turtles live for hundreds of years. Certain Trees have lived For Thousands of years. But Humans Lived to be just 70 or 80 years and then die. Have you ever wondered why? That answer is found at Romans 5:12. Will that situation be resolved will be found at Revelations 21:3,4.
