“ To the Major Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

“ *I have many good memories of Katrina during the time period she worked at my East Village Java Coffee Shop. Her smile and sense of humor was a bright light that she brought to work with her everyday. We shared the same birthday and would have fun celebrating it together.*

Toasted Coconut Coffee was one of Katrina's favorite coffee flavors just like her mom. We would send a 25 lb bag of it to her mom in Florida.
