“ Please join me in praying for the family of not just my Tenant but a beautiful, kind and responsible soul who was a bright light in such a dark world.

After meeting her in 2015 when she moved into my condo in Flint she not only became one I could trust with my property and count on 100% but one who was so cool, helpful, down to earth, one who would offer to show love and be helpful in any way aside from the business we had between us.

Prayers for her mother, beautiful children, family and friends. Ms. Keisha “Maryann White” Williams will truly be missed. Although her passing is a shock to us all, it isn't a shock at all to God~ Rest well my friend. 🕊️

“ I didn't know Keisha on a personal level but she was part of my Facebook Family, she was a very loving person and her kindness and the love for her children and family stood out the most, during the pandemic she helped families with the essential needs and made sure she kept us aware of items we needed to survive with no hesitation. She shared her family life and there was nothing she wouldn't do for her children, she represented the title of a Mother, her beautiful spirit will carry on through Facebook and this City a true Queen gone too soon. Sending Prayers and Love to her Children and Family!
