“ I worked with Keith at KPH in Kalamazoo, MI and have many fond memories of him. I was so happy to see him get well enough to leave to go to Florida with his sister. Keith used to serenade us with R. Kelly "12 Play" and tell many stories of his life before coming to KPH. He was a pleasure to work with and I am deeply saddened to hear of his passing. Many prayers and blessings to his family, especially his sister Banitta, whom I know cared for him very much!
