“ KJ ,I am so sorry that this happed to you. You were an all around great person. Friend , Father and inspiration. True definition of a person who can make something out of nothing. Very dedicated and smart. I'm going to miss your beautiful smile and your jokes. The way you spoke. Always was so sweet and generous to me. I can't believe I'm saying goodbye to you. I can't believe this last time was our last time speaking. I wish you had more time. And I pray for your baby girls. You left your mark.
