“ *I was shocked and deeply saddened to hear of Kelly's passing. We lost touch when I briefly moved out of state. I will never forget her humor, her laughter, her intelligence, but more than anything, the deep love she had for each of her children. I cannot imagine their pain. I will keep her children and her memory in my heart forever.*

“ *To the Desjarden Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our loved one. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you asked: Is death the end of it all? Or is there something else after death? The bible clears up any question you might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
