“ *I didn't get to see you before you left.
Didn't get to say my goodbyes.
Didn't get to hug you and kiss you.
Didn't get to tell you how much I was proud to
have you as a father.
Didn't get the chance to tell you I was sorry for
being trying sometimes.
Didn't get to chance to dance with you.
and I won't get the chance to say I love you one more time.
I wish I could have those chances,
but I am glad to have had the chance of having a father like you.
Thank you, Daddy.*

“ I am saddened to hear of the passing of my boyhood friend, Kelvin. He was one of the first to welcome and befriend me when I moved to my new neighborhood near Iroquois Park. He was the conduit through which I made many new friends, and created many fond memories. I have always considered the Towners my extended family, and my heart goes out to you all.

With the greatest of love and respect,

Steven Miller and Family
