“ *To the Family and Friends of Kendra:
What a horrible day in human society when a human being feels that he or she has the right to take another human's life. Such a lovely girl I might add. Life is a precious GIFT only from Jehovah God who created humans to enjoy Life not Take Life. May you be comforted in knowing that there is a Almighty God who cares, and who has already Purposed that all the grief, sorrow, and pain that you are feeling today will eventually be done away with very soon. Until that time which is SO CLOSE AT HAND, may you find HOPE from God's word the Bible @ Revelation 21:3,4 and John 5:28,29. Please know that others do care. Thank you so much!*

“ *Our condolences go out to you and your family. We are truly sorry to hear of your loss. Often during these difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these are comforting to you.*
